SIR,

With reference to your letter No.1172/Muz.68-21-2 dated 29th August 1921 calling for certain information -- regarding the management of the "Manjanatha Anathalaya" at Kirur in the Kadur taluk, I have the honour to state as follows:-

1. With regard to the need for strengthening the Committee, I would state that, as the Anathalaya is open to Brahmins as well as Vaisyas, both the communities are required to be represented on the Committee and it is desirable that the Vice President, who is the local officer on the spot and who will be interested in the efficient working of the local institutions should also be on the Committee. With a view to supply these wants and for the better management and supervision of the Alaya, it is considered necessary that the Committee should consist of atleast 7 gentlemen as noted hereunder:-

(1) Amildar to guide the deliberations.
(2) Vice President of the Town Municipality(Local Officer on the spot).
(3) The Head Master of the A.V. School.(To watch the progress of education of the boys).
(4) One member, as a representative of the Donor's family.

P.2

(5) One member from the Brahmin community.

(6) One member of the other relations of the Donor's family or another caste non-brahmin.

(7) One independent Vaisya.

2. The present Committee has in fact ceased to work ever since Ramanatha Setty died on 11th November 1920.

3. Palamma, being a widow, cannot be expected to attend Committee meetings and conduct the affairs and her name is not therefore proposed for a membership. Her son-in-law Ramakrishna Setty who lives in the same house with her may be taken in her stead. He will also be the Manager.

4. I have herein enclosed a bill for Rs 2000/- being the arrears of interest due on the endowment from 1st January 1919 to 30th June 1921 for favour of sanction duly countersiged by me. The amount of the bill will be ordered to be paid to Palamma for the time the Alaya was working till 5th October 1920 and the balance added on to the fund.

5. As I have already recommended, the interest may in future be allowed to be drawn by the Amildar as President of the Committee every month for the current expenses of the institution.

6. As will be seen from Palamma's petitions and telegram in the accompanying file, there seems to be an unseemly squabble between Palamma and the School Head Master who is also a member of the Committee. Palamma seems to have put on a lock of her own to the doors already locked by the School authorities and seems also to have come in the way of the doors being opened for the building being white-washed and otherwise repaired. This is no doubt unsatisfactory. But when the Committee is reconstituted as recommended above, they will take over the management to their charge and all these irregularities will then be at an end.

7. The file of vernacular correspondence ending with the Tarikere Sub Division Assistant Commissioner's Yadi No.S.O.C. 137/21-22 dated 7th November 1921 is herewith submitted for kind reference and return when done with.

I have the honour to be,
